Dear Michael,

Congratulations! You have been nominated by your unit co-ordinator Prof Michael Giudici for a commendation in the unit MATH4031-Algebra in semester 1, 2023. Your final mark was 86% at the top of a cohort of 5 students.

Prof Michael Giudici notes that "The equal highest mark."

The Department of Mathematics and Statistics is proud of the achievements of our graduates. Our current and previous students have enjoyed many successes in national and international competitions, and flourished in research, academia and industry. Our alumni include a Fields Medallist, many successful academics, leading business people and founders of prosperous start-up companies. They are an amazing group and overall have a diverse and exciting career outlook.

On behalf of Department of Mathematics and Statistics, I congratulate you on your achievement and wish you every success in the future.

Yours sincerely,

Prof Michael Giudici
Head of the Department of Mathematics and Statistics
