Dear Michael

Congratulations! Your unit co-ordinator Thomas Stemler has made special mention of your high achievement in the unit MATH3024 Complex Systems in semester 2, 2022.

We encourage you to continue with mathematics and/or statistics as part of your future endeavours.

On behalf of the Department of Mathematics and Statistics, I congratulate you on your achievement and wish you every success in the future.

Yours sincerely,

Dr. Miccal T. Matthews
Head of the Department of Mathematics and Statistics
The University of Western Australia
