8 March 2021

Mr Michael Nefiodovas

Student ID: 22969312

Dear Michael,

Congratulations! You have been nominated by your unit co-ordinator Dr Chris McDonald for a high achiever commendation in the unit CITS2002 Systems Programing in semester two 2020. Your final mark was 98% at the top of cohort of 228 students.

The Department of Computer Science is proud of the achievements of our graduates. Our current students and alumni have enjoyed many success in national and international competitions, flourished in major software companies such as Google, Microsoft and IBM, as founders of start-up companies, and overall have a diverse and strong career outlook in both academia and industry.

On behalf of Department of Computer Science I congratulate you on your achievement and wish you every success in the future.

Yours sincerely,

Rachel Cardell-Oliver

Associate Professor Rachel Cardell-Oliver
Head of Department
Department of Computer Science and Software Engineering
